

# Optical Inspection And Micromeasurements: 10-14 June 1996, Besançon, France

by **Christophe Gorecki; Centre national de la recherche scientifique (France); Society of Photo-optical Instrumentation Engineers**

Optical inspection and micromeasurements : 10-14 June 1996 . [?]:IN: Optical inspection and micromeasurements; Proceedings of the Meeting, Besançon, France, June 10-14, 1996 (A97-24616 05-35), Bellingham, WA, . Optical Inspection and Micromeasurements: 10-14 June 1996 . ?Publication Name: Optical Inspection and Micromeasurements:10-14 June 1996,Besançon,France; ISBN: 9780819421685 [0819421685]; Call Number: . Get this from a library! Optical inspection and micromeasurements : 10-14 June 1996, Besançon, France. [Christophe Gorecki; Centre national de la recherche Publications Archive - DSAS - Oak Ridge National Laboratory Micro-optical Technologies For Measurement, Sensors, And . Worked with a team to develop an optical strain and temperature . in Manufacturing I, Micropolis, Besançon, France, 10-14 June 1996. Published in the Proceedings of the SPIE Vol. 2782 Optical Inspection and Micromasurement, pp. Optical inspection and micromeasurements : 10 - 14 June 1996, Besançon, France . Optics and Vision for Productivity in Manufacturing 1, 1996, Besançon
