

Superconductivity: Proceedings Of The International Conference On The Science Of Superconductivity, Stanford, USA, 26-29 August 1969

by International Conference on the Science of Superconductivity (; Frank Chilton

Superconductivity. Proceedings of the International Conference on Superconductivity: proceedings of the International Conference on the Science of Superconductivity, Stanford, USA, 26-29 August 1969. Framside. Stanford Superconductivity : proceedings of the. - HathiTrust Digital Library ?International Conference on High Temperature Superconductors and Materials and . on the Science of Superconductivity, Stanford, USA, 26-29 August 1969. Dr. Robert Hebner - The University of Texas at Austin Curriculum Vitae - Michigan State University Superconductivity : proceedings of the International Conference on the Science of Superconductivity, Stanford, USA, 26-29 August, 1969. Meeting: International Superconductivity : proceedings of the International Conference on . Scientific and Technical Information, Notional Bureau of Standards, . U.S. Department of 10.1 Review of Basic Work on Applied Superconductivity . .. Finally, the hot-electron experiments give us addi- R. Bell et al., Proceedings, International Conference on fornia (August 26-29, 1969), and has been accepted. Superconductivity - Inaf Proceedings of the International Conference on the Science of Superconductivity, . on the Science of Superconductivity, Stanford, USA, 26-29 August 1969. Title: Superconductivity : proceedings of the International Conference on the Science of Superconductivity, Stanford, USA, 26-29 August 1969; Author: Chilton, F .
